**Simple Operations!
Easy-to-use Functions!**

HZL-25Z

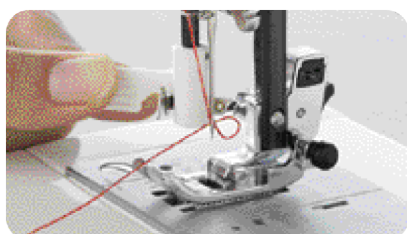

Automatic Needle Threader

**Compact-size Sewing Machine
with Carrying Case**

Automatic Needle Threader

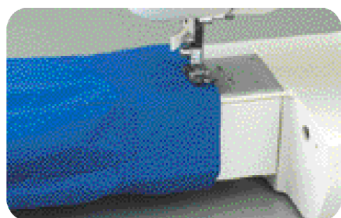

The Automatic Needle Threader easily threads the needle without eyestrain and allows you to start sewing quickly.

Compact-size Sewing Machine with Carrying Case

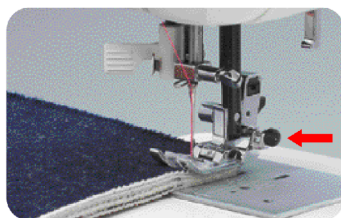

Compact unit is an ideal travel companion, weighing only 6.5KGS (14 LBS) and is always ready for easy transport. The hard shell carrying case is supplied with the machine as standard to meet any of your travel needs. Your machine is transported easily and safely to your next sewing destination.

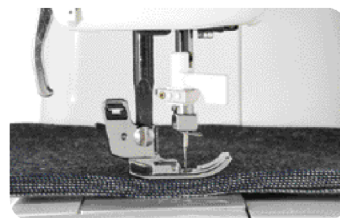

Free Arm Sewing

The auxiliary bed slides off for the free arm sewing of collars, cuffs and other awkward sewing job.

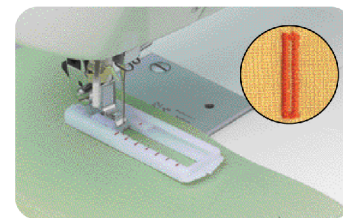

Easy Start-Sew

Push the button of presser foot and make it parallel to the throat plate. This makes easy to start sewing multiple layers of fabric or overlapped materials.

Sews from Light-to Heavy-Weight Materials with ease

Durable machine body is constructed from aluminum die cast and has a front-loading bobbin for simple tension control. The strong feeding power of the machine makes it possible to sew light, medium and heavy weight materials with ease.

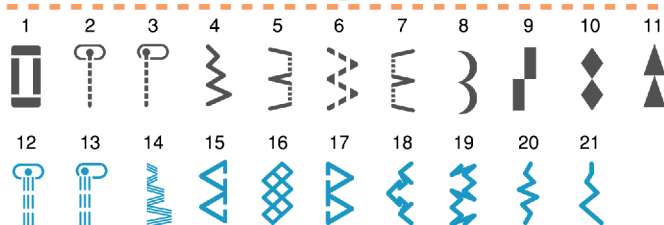

Buttonhole Sewing

Buttonholes can be sewn beautifully and securely in 5 easy steps utilizing the easy to operate stitch selection dial. This dial is conveniently located on the right side of the unit.

- Adjusting Stitch Width
- Accessory Box
